

Mastech
Digital Sound Level Meter MS 6700

Features:

LCD digital display, Analog bar indicator, wide dynamic range,

Auto/Manual range, Fast/Slow response selectable,

Max value hold function, A/C weighting selection,

Date weighting selection, AC/DC auxiliary output,

Backlight, Low power indication

Features & Specs

Specifications:

Measurement range: 30db~130db

Accuracy: ± 2 db

Resolution: 0.1 db

Display: 3 ½ digits

Sample rate: 2 times/s

Frequency range: 30Hz~8KHz

Over range indication: “UNDER” or “OVER”

Auxiliary output: AC 0.707 Vrms at full range for each level, impedance 600 Ω DC 10m V/DB, impedance 100 Ω

Battery voltage: 6x1.5VAAA
